

What Do Our Customers Think of Us?

Dr Alastair Mullins, Uxbridge College – ***“This event was an inspiration to everyone involved – the staff enjoyed it almost as much as the students. While the students already had relevant knowledge to make the most of the workshop, having experts like these was a unique opportunity for them to broaden their knowledge and see how exciting science can be.”***

Paul Williams - ***It was an excellent day which was well planned and accessible for all. I was extremely impressed and the children are still talking about the day!*** (Lakeside Community Primary)

Arthur Glencross Basildon Academy- ***If you want an excellent day for your students-use this company!.Students will become fingerprint experts to a very high level. They loved the forensic dentistry all delivered by real professionals***

Verity White (Head of Science) Matthew Arnold School - ***Students were treated to an outstanding CSI Day by Right Angle Events. Most students said "it was the best science lesson they had ever had"!***

Lana Sherman (Head of Science) Battersea High School - ***Absolutely brilliant! There was nothing the students did not enjoy. They loved the blood spatter pattern analysis and wearing the CSI Suits!***

Dear Steve

CSI Workshop

We are writing to express our gratitude and thanks for all of your hard work and commitment in setting up and leading our CSI activity last week. Our Maths and Computing Activities Week has been a real success, and much of that is due to the high levels of enthusiasm, passion and skill brought by our visitors.

The students absolutely loved discovering all of the science behind a crime scene. They were totally enthused by your interactive approach and the faith that you placed in them to deliver high quality on time. Many of the students have commented that this is the best experience that they have ever had at school. Thank you for opening our eyes and those of our students to how concepts from Science, Technology, Engineering and Maths can be brought to life in such a wonderful way.

Thank you for all the hard work and enthusiasm that you brought to this activity – we know that we and the students will remember the experience for a very long time to come.

Yours sincerely

Mr S Randall
Activity Leader

Miss D McCarthy
Activity Week Co-ordinator
